

# “Intimate Examinations: The Basics”

## Paramedic Education Event

Wednesday 15<sup>th</sup> March OR Tuesday 18<sup>th</sup> April | 08.45AM - 05.00PM

### What is this, and who's it for?

This FREE, full-day event will cover the **basics** of **male** and **female intimate examinations** — including common primary care presentations and their management. In the afternoon, you will have the opportunity to practice your new knowledge on medical training aids.

By the end of the day, you will understand how to **complete a range** of **intimate examinations** (identifying both **normal** and **abnormal findings**), as well as understanding basic anatomy and the management of common presentations and their red flags. Specifically, you will be able to complete:

- ◆ **Basic female pelvic examinations**
- ◆ **Basic male pelvic examinations**
- ◆ **Rectal examinations**
- ◆ **Breast examinations**

### Who will be speaking?

This event will be led by **Lily Dixon** (**Paramedic Profession Lead**, BNSSG Training Hub), with **Dr. Lucy Pope** (**locum GP**) and **Dr. Jonathan Rees** (**GP Partner**, Tyntesfield Medical Group) providing support with the intimate examinations practicals.

### Where will all this be?

**Shaftesbury Park,**

**Frenchay Park Road**, Winterbourne,  
Bristol BS16 1LG
