

A Crash Course in Dermatology

DATE: Wednesday 9th October 2024

TIME: 0900-1600

VENUE: Southmead Hospital Learning & Research Centre

This free one day event is aimed at
Advanced Practitioners, Nurses, Allied Health
Professionals, Physicians Associates, Clinical Pharmacists and
Doctors new to Primary Care (although others are welcome).

Topics:

Morning:

- Dermatological history and examination
- Terminology—how do you describe that rash?
- Eczema treatment and when to refer
- Acne treatment

Afternoon:

- Psoriasis treatment
- Top tips in dermatology
- Skin cancer in Primary Care
- Case discussions

There is no sponsorship for this day so refreshments are not provided but there is a café on site
