This webinar is designed specifically for BNSSG General Practice Clinical Pharmacists and Pharmacy Technicians.

 Thursday, 26th September 2024

 13:00-14:00

[Register Here](#)

This session will introduce you to the innovative Personalised Care Additional Roles

Why Attend?

- **Enhance Your Role:** Understand how Personalised Care ARRS roles can support your work within the practice multidisciplinary team.
- **Health Coaching:** Learn about Health Coaching and its benefits for patient care and engagement.
- **Collaborative Practice:** Discover strategies to work effectively alongside new ARRS roles, improving patient outcomes and practice efficiency.

If you have any **queries** or **issues**,
please contact bnssg.training.hub@nhs.net.
